- Monolingualism vs. Multilingualism

Dimension II: **Nativity** of official languages

•

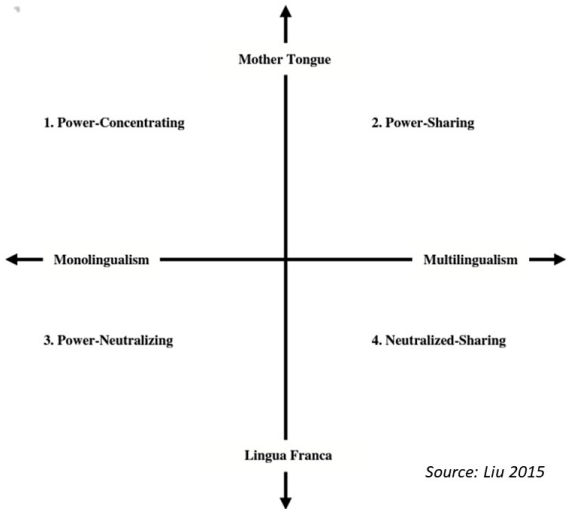

Typology

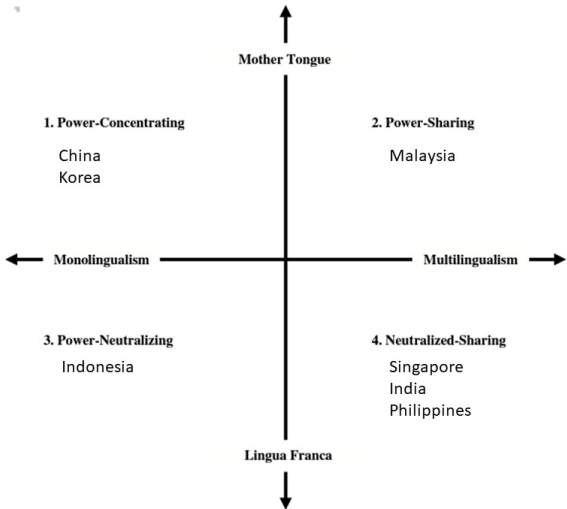

Dimension I: **Number** of official languages

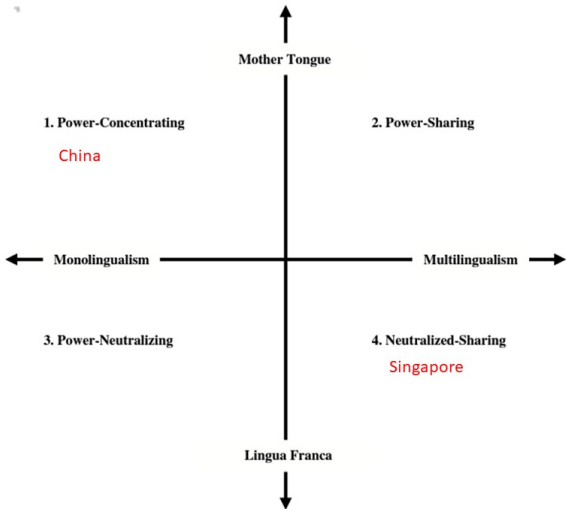

- Monolingualism vs. Multilingualism

Dimension II: **Nativity** of official languages

- Mother tongue vs. Lingua franca

Language Policies in Asian Countries

Language Policy of Mainland China

Language Policy of China

- Power-concentrating:
 - **Single** official language: Putonghua

Do You Really Know Putonghua?

Hello = 你 好
Ní hao !

Do You Really Know Putonghua?

Hello =	你	好
	Ní	hao !

- A "new" language

Do You Really Know Putonghua?

Hello = 你好
Ní hao !

- A "new" language
- A required language

Do You Really Know Putonghua?

Hello = 你 好
Ní hao !

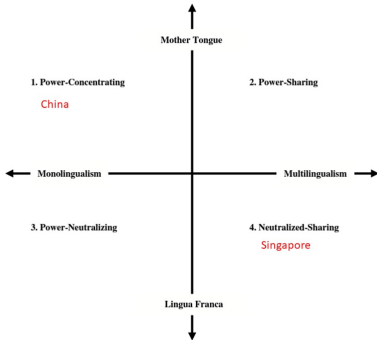

- A "new" language
- A required language
- A common language

Language Policy of China

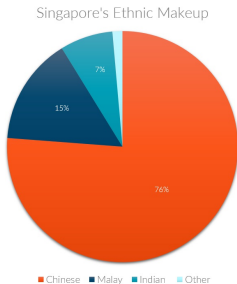

- Power-concentrating:
 - **Single** official language:
Putonghua
 - Mother tongue of the **majority** group
 - **Han: 91.51%**;
 - **Zhuang:**
1.27%;
 - **Hui: 0.79% ...**

Language Policy in Singapore

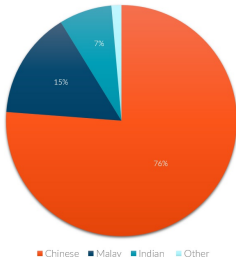

Language Policy in Singapore

- Neutralized-Sharing:
 - # of official language?
 - Nativity?

Language Policy in Singapore

Singapore's Ethnic Makeup

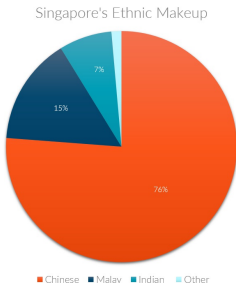

- Neutralized-Sharing:
 - # of official language?

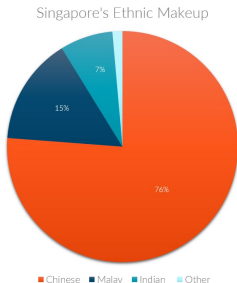

- Nativity?

Language Policy in Singapore

- Neutralized-Sharing:
 - # of official language?
English, Chinese, Malay, and Tamil
 - Nativity?
 - *Lingua franca*

Language Policy in Singapore

- Neutralized-Sharing:
 - # of official language?
English, Chinese, Malay, and Tamil
 - Nativity?
 - *Lingua franca*
 - Bilingual education

Influences of Language Policy

Influences of Language Policy

Why Should We Care?

Costs

Communication cost

Costs

Communication cost

Equality cost

Why do they matter for the government?

Why do they matter for the government?

- Tax collection

Why do they matter for the government?

- Tax collection
- Administrative efficiency

Why do they matter for the government?

- Tax collection
- Administrative efficiency
- Governance efficiency
